

Production Worker

Maleny Dairies is a family-owned business based in the picturesque hills of the Sunshine Coast hinterland. We are a progressive dairy processor with a passion for supporting the local community, and the environment. We are a local business success story that has been packaging and supplying milk products to supermarkets, cafes, and other retailers for many years. In addition to this, our farm welcomes an average of 30,000 visitors a year, delivering 3-4 tours daily, with our tourists greatly contributing to the success of the Maleny Dairies brand.

The Hopper family has owned the Maleny Dairies property since 1948. The owners and directors of the business, Ross and Sally Hopper are the third generation to live and work on the family farm in Maleny. Ross grew up here and married Sally in 2005. Her family are also long-term locals and have been dairying in Maleny for five generations, since 1906. Their children will be the fourth generation of Hopper's running the family farm and business a key group whose job it is to 'make it happen'.
