

Statement of Circumstances dated 1 June 2020 (in relation to the standard form Milk Supply Agreement dated 1 June 2020 at Annexure A)

1. Maleny Dairies intends to purchase milk in the next financial year.
2. Current projections are that we may require approximately 14,200,000 litres of milk in total in FY20/21.
3. Maleny Dairies has already entered into sufficient milk supply agreements to meet Maleny Dairies' existing demand for milk; 10,200,000 litres of milk is being supplied under current milk supply agreements.
4. If Maleny Dairies requires additional milk on a non- exclusive basis, our prerequisites are:
 - (a) The herd should be dominated by Guernseys or Jerseys; and/or
 - (b) Butterfat range not to fall below 4% (weight/volume);
 - (c) Protein not to fall below 3.1%;
 - (d) The Farm must have vat space for up to 3 days of volume; and
 - (e) The Farm's location should allow Maleny Dairies to pick up the milk within its Tanker Schedule.
